3. INVESTMENT GOLD – WHAT IT IS

Investment gold is a specific form of gold that is used as an investment instrument similar, for example, to securities. It may be offered in the form of gold bars or coins with high fineness (up to 999.9) and a defined weight. These are purchased not only for collecting purposes, but also as an investment. Investment gold is a safe way of storing financial capital.

4. INVESTMENT GOLD AND VAT

In all European Union countries, investment gold is exempt from VAT under an EU directive. Other countries follow the rules of their tax code for imports of investment gold.

5. FINENESS – WHAT IT IS

Fineness is a value, expressed as a number, indicating the proportion, by mass, of precious metal contained in an object or alloy. Fineness is expressed either traditionally in terms of carats or by the more modern "parts-per-thousand" method. Carats are based on the definition that pure gold with a content of 1,000 g/kg has fineness of 24 carats. One carat corresponds to 1/24 of the weight, so the metal in its pure form is 24 carats. The parts-per-thousand method is similar – the number (usually three digits) denotes the fineness of an alloy by parts per thousand of pure metal. Pure metal is denoted as 999.0 or higher.

6. INVESTMENT BAR – WHAT IT IS

An investment bar is a form of physical investment metal. Investment metal processed in this manner is stamped with a serial number and the weight, fineness, type of metal, and manufacturer. This information is also listed on the certificate of authenticity that comes with the bar.

7. INVESTMENT COIN – WHAT IT IS

An investment coin is a type of investment metal in physical form. Investment metal processed in this manner is stamped with the nominal value, weight, fineness, type of metal, year of mintage, and manufacturer. When a coin is delivered to you, it is accompanied by a certificate of authenticity.

8. SET OF INVESTMENT BARS OR COINS – WHAT IT IS

A set is a collection of a clearly defined number of bars or coins that the Seller supplies only as a whole. The individual bars or coins of a set cannot be supplied separately.

9. CERTIFICATE OF AUTHENTICITY

When an investment bar, coin or set is delivered to you, it is accompanied by a certificate of authenticity. A certificate of authenticity includes:

- the number, fineness, weight, investment metal, and manufacturer, for a bar and/or set of bars;
- the nominal value, weight, fineness, type of metal, and manufacturer, for a coin and/or set of coins.

These details are identical to those stamped on the bar or coin. A certificate of authenticity may be included in the original security packaging or supplied separately. The form taken by the certificate of authenticity is determined by the manufacturer or supplier of the bar, coin, or set.

The Seller guarantees that you are the first holder of the investment bars, coins, and/or sets you are purchasing.

10. IIPLANGOLD® – WHAT IT IS

iiplanGold® is the name given to a smart investment plan that allows you to purchase investment precious metals in the form of a 1,000 g cast bar (the "Subject of Purchase") by buying the weight of the Subject of Purchase incrementally. It also offers you the option of making continuous withdrawals (in the form of investment gold and cash) or transferring the grams you have purchased to an iiplanRentier® contract, an iiplanMax® contract, another iiplanGold® contract or, in the future, to another contract registered with the Seller. The Seller records the weight of the investment metal you have purchased in what is called a Weight Accumulation Account (the "Weight Accumulation Account"). The contract is concluded for an indefinite term.

iiplanGold® offers you physical investment gold at the lowest price. Besides the appealing price, you are buying pure gold that comes from the prestigious PAMP refinery in Switzerland and is verifiable via VERISCAN™. VERISCAN™ is a unique technology from the PAMP refinery that makes it very easy to verify the authenticity of bars or coins without damaging them.

Making regular purchases reduces the negative effects of price volatility. The risk is minimised particularly if you invest regularly, even over several decades. This is mainly due to the what is called the "price averaging effect". The amounts you invest on a regular basis may be similar, but fluctuations in the prices of investment precious metals mean that you are buying at a different price each time.

You decide how often you want to buy this form of investment metal and for how many years. You can enter into an

unlimited number of Contracts. While the Contract is in effect, you have the option to send unscheduled payments to accelerate the purchase of your selected precious metal, or Subject of Purchase. You also have the option to change the amount of your regular investment or to interrupt payments, and you can transfer your Contract to another person. This gives you complete freedom in how you invest.

11. ACCOUNT – WHAT IT IS

All payments and part purchases of investment gold are recorded in a Weight Accumulation Account. The balance of your Weight Accumulation Account is reported in grams to six decimal places. In your Customer Account, the Seller will provide you with the exact Current Value of your Weight Accumulation Account for Gold Payouts, Cash Payouts, or the Transfer of Grams. In addition to the Current Value, your account also has an “available value”, which takes into account the Investment Gold Sale Facilitation Fee.

12. VALUE OF THE WEIGHT ACCUMULATION ACCOUNT FOR CASH PAYOUTS – WHAT IT IS

The Current Value of the Weight Accumulation Account for cash payouts corresponds to a pro rata portion of the Metal Buyback Price of a 1 kg gold bar. This is based on the ratio of the grams in your Weight Accumulation Account to the total weight of the 1 kg gold bar (the Subject of Purchase). For the avoidance of doubt, neither the IBIS Buyback Premium nor the iiplanGold® Buyback Premium is included in the Current Value of the Weight Accumulation Account in this case. The available value of the Weight Accumulation Account for cash payouts takes into account the Investment Gold Sale Facilitation Fee.

13. VALUE OF THE WEIGHT ACCUMULATION ACCOUNT FOR GOLD PAYOUTS – WHAT IT IS

The Current Value of your Weight Accumulation Account for Payouts in investment metal corresponds to a pro rata portion of the Total Buyback Price or a pro rata portion of the Metal Buyback Price plus a pro rata portion of the IBIS Buyback Premium plus a pro rata portion of the iiplanGold® Buyback Premium, based on the ratio of the grams in the Weight Accumulation Account to the total weight of the 1 kg gold bar (the Subject of Purchase). The available value of the Weight Accumulation Account for payouts in investment metal takes into account the Investment Gold Sale Facilitation Fee.

14. VALUE OF THE WEIGHT ACCUMULATION ACCOUNT FOR TRANSFERS OF GRAMS – WHAT IT IS

Grams from your Weight Accumulation Account can be transferred to a third party or to that third party's Weight Accumulation Account. Grams are transferred at the value they have on the transfer date. The Current Value of the grams to be transferred to an iiplanGold® contract is calculated according to the Current Purchase Price (of the Subject of Purchase). The Current Value of the grams to be transferred to an iiplanRentier® or iiplanMax® contract or, in the future, to another contract registered with the Seller, corresponds to a pro rata portion of the Metal Buyback Price, plus a pro rata portion of the IBIS Buyback Premium, but without a pro rata portion of the iiplanGold® Buyback Premium, based on the ratio of the grams to be transferred to the total weight of the gold bar (the Subject of Purchase).

15. INPUT PRICE INCREASE OF THE FIRST UNIT OF THE SUBJECT OF PURCHASE

A component of the purchase price of the first unit of the Subject of Purchase is the Input Price Increase under point 32 of this Information, which is quantified in the proposal to enter into the Contract by reference to the Fee and Service Price List (the "Input Price Increase").

The amount of the Input Price Increase is fixed, irrespective of the total number of units of the Subject of Purchase purchased by you under the Contract, i.e. you will only pay the Input Price Increase once. The Input Price Increase is refunded within the scope of the iiplanGold® Buyback Premium under the terms and conditions of the Contract. Information on the Input Price Increase per Unit is available on the Seller's Website. Its current amount as at the date on which this Information is provided can be found in point 32 of this Information (the "Fee and Service Price List"). Therefore, information on the Seller's prices, fees and services is available to you before you enter into the Contract.

16. TYPE OF CONTRACT

The type of contract, as stated in the Contract itself, determines the ratio at which all your payments are automatically distributed by the Seller pending full payment of the Input Price Increase. The number before the slash indicates what percentage of the payment will be used to cover the Input Price Increase. The number after the slash indicates what percentage of the payment will be used for the purchase of the investment metal. Once the Input Price Increase has been paid in full, all your payments are put towards the purchase of the investment metal.

17. WHEN AN IIPLANGOLD® PURCHASE CONTRACT ENTERS INTO FORCE AND TAKES EFFECT

The Contract can only be concluded in the following manner (in the following steps):

- On the Seller's Website, you fill in the online form for the conclusion of the Contract. The form must be filled in completely. The identifying information you provide must be correct and true.
- In the online form, you confirm the correctness and truthfulness of the information you have provided and your interest in concluding the Contract.
- A draft Contract will then be automatically generated for you via the Seller's Website based on the information you have entered. In order to avoid any misunderstandings, please check to make sure that the draft Contract generated in this manner is consistent with the details entered in the online form and your requirements. The draft generated in this manner constitutes the Seller's offer to enter into the Contract.
- A proposal to enter into the Contract will be sent to your customer account ("Customer Account"; see point 18 of this Information) and/or to the email address you provided when filling in the contract form. The proposal will be sent in pdf format, electronically signed by the Seller. Together with this proposal to enter into the Contract, you will receive this Information – also in pdf format.
- The sole way you accept the proposal to enter into the Contract is by making a non-cash confirmation payment to the Seller's account. The confirmation payment, which should be at least EUR 4, must be made from your bank account or via your payment card as stated in the heading of the proposal to enter into the Contract, and in the transaction description you enter the Contract number (i.e. the variable symbol, as this description is called in the Czech Republic, is identical to the Contract number). The account / payment card of a spouse or civil partner may also be used to accept the Contract. The holder of that account / payment card must be clearly stated in the heading of the proposal to enter into the Contract.
- The Contract is concluded once the confirmation payment is credited to the Seller's account. However, the confirmation payment must be credited to the Seller's account no later than 11 a.m. CET on the 15th calendar day after the date on which you received the proposal to enter into the Contract in your Customer Account and/or your email inbox. The Seller will confirm the conclusion of the Contract by sending a message to your Customer Account

and/or to your email address specified in the heading of the proposal to enter into the Contract.

The confirmation payment (less any bank charges associated with the receipt of payment) will be used to cover the Input Price Increase and/or the purchase of investment metal at a ratio based on the type of contract.

If the Seller receives a confirmation payment in the time limit for the acceptance of the proposal to enter into the Contract, but the corresponding Contract number has not been entered in the transaction description (i.e. there is no variable symbol), or the Contract number is incorrect, the Seller will notify you of this by sending a message to your Customer Account and/or email address. You then have seven calendar days in which to identify the confirmation payment. You do this from the email address stated in the heading of the proposal to enter into the Contract. That email must state:

- the date of payment;
- the amount of the payment;
- the number of the account / payment card;
- the name of the holder of the account / payment card; and
- the correct Contract number.

The Seller will then confirm that the Contract has been concluded by sending a message to your Customer Account and/or email address. The Contract is concluded at the moment you receive a confirmation message from the Seller via your Customer Account and/or email address. For the avoidance of doubt, it is understood that the Seller may confirm the conclusion of the Contract even if the Seller receives an email from you sufficiently identifying the confirmation payment as aforesaid after the required time limit has elapsed.

If the Seller receives the confirmation payment after the above time limit has elapsed, the Contract will be concluded only if the Seller notifies you of this fact via your Customer Account and/or email address within five Business Days of the date of receipt of such payment.

Acceptance of the proposal to enter into the Contract accompanied by an addendum or deviation is not permitted, unless this is an addendum, the written proposal to enter into which is sent by the Seller to you, via your Customer Account and/or email address specified in the heading of the proposal to enter into the Contract, together with the Contract. In this case, the Contract is concluded in the wording of the agreed addenda.

18. CUSTOMER ACCOUNT

You set up a Customer Account on the Seller's Website. You log in to your Customer Account before the draft Contract is sent to you. You can access the Customer Account by entering your username, password and, if applicable, security authorisation code. Documents and information sent by the Seller to the Customer Account in the form of messages are stored in this account for possible reproduction; the content of sent messages cannot be unilaterally changed by the Seller.

The Seller sends to your Customer Account and/or email address the draft Contract, draft addenda to the Contract, information on the conclusion of the Contract or addenda to the Contract, all information pursuant to the Contract, i.e. confirmation of Purchase Subcontracts indicating the Current Price of the Subject of Purchase on the date of conclusion of the Purchase Subcontract and the weight of the investment metal purchased, confirmation of Sale Subcontracts indicating the Selling Price and/or the weight of the investment metal sold, information on the dispatch of the Subject of Purchase to the Buyer, confirmation of mutual settlement in the event of termination of the Contract, and confirmation of termination of the Contract. The Seller may also send you marketing information to your Customer Account, subject to your consent. A message is deemed to have been delivered to you upon receipt in your Customer Account.

You must treat the Customer Account login credentials with care and caution in order to prevent them from being misused. In particular, don't store the password in a browser or on a hard drive, regularly check messages received in the Customer Account, always use strong passwords (preferably a combination of lower and upper case letters in conjunction with numbers and special characters, while respecting the required password length), change the password regularly, and, if you suspect that the password has been misused, report everything to the Seller without undue delay. You are liable for all use of the Customer Account, including use by third parties, irrespective of how such third parties have gained access to your Customer Account. The Seller is not liable for any misuse of the Customer Account by third parties, especially the

execution of any orders placed through the Customer Account by such third parties. You expressly confirm that the mobile phone number provided in the heading of the Contract is correct and declare that it is your mobile phone number that can be used for purposes of authorisation under the Contract. Make sure your mobile phone is properly secured so that it cannot be misused (especially in relation to the generation of security authorisation codes).

Through your Customer Account, you can electronically sign documents that the Seller allows to be signed in this manner. You log in to your Customer Account, fill in the relevant form and confirm it with the security authorisation code, by means of a mobile application, or by any other similarly reliable means that the Seller may enable in the future.

In this way, you validly sign the draft document. The Seller's electronic signature is then affixed to the draft document, and the signed document is sent to your Customer Account and/or email address.

19. HOW YOU PAY

Payment can only be made to the Seller's bank account by a single payment order, a standing payment order, a postal order (i.e. cash is remitted to the account), credit card, or cash deposit in the Seller's bank account.

The Seller's account number and the Contract number (variable symbol) are included in the proposal to enter into the Contract under point 17 of this Information.

If the Seller is charged a bank fee in connection with the acceptance of your payment in the Seller's account, this fee will be deducted from the payment sent by you.

20. PRICE OF THE SUBJECT OF THE PURCHASE AND THE PURCHASE OF PRECIOUS METAL IN INCREMENTS

The price of the Subject of Purchase includes VAT and depends on financial market fluctuations beyond the Seller's control. The price of the Subject of Purchase is influenced by the price of investment precious metals on the precious metals exchange and by the exchange rate. The current purchase price of the Subject of Purchase is listed in the purchase price list available on the Seller's Website (the "Purchase Price List"). The purchase price is published in the Purchase Price List from Monday to Friday after 6 p.m. Central European Time ("CET"); upon publication, it takes effect immediately and remains valid for the following day and, if applicable, for other days when the purchase price is not published in the Purchase Price List in accordance with the first part of this sentence (the "Current Price"). The Purchase Price List is not an offer to enter into a contract, but an invitation to submit offers to enter into a contract.

For the purpose of delivering the Subject of Purchase, the purchase of the investment metal takes place incrementally by means of purchase subcontracts ("Purchase Subcontracts"). A Purchase Subcontract is concluded by transferring or depositing a certain amount of money, based on the Current Price of the investment metal for the Subject of Purchase as per the Purchase Price List, to the Seller's account, specifying the Contract number in the transaction description (variable symbol). The amount credited in this manner to the Seller's account (less any bank charges associated with the receipt of payment) constitutes your irrevocable offer to enter into a Purchase Subcontract at a Purchase Price corresponding to the amount credited less the relevant amount of the Input Price Increase (the "Purchase Price"); this is for a weight corresponding to the ratio of the Purchase Price paid and the Current Price of the investment metal for the Subject of Purchase valid on the date on which the amount is credited to the Seller's account. A Purchase Subcontract is concluded provided that the weight of the investment metal to be purchased is not more than 10% less than the weight of such investment metal that would be attributable to the Current Price on the due date of the non-cash payment order or on the date on which the funds are deposited in the Seller's account (the "Maximum Weight Variance"). Greater weights of the Subject of Purchase can be purchased without restriction. The weight of the investment metal being purchased is measured in grams to six decimal places.

The amount of money is deemed to be paid at the moment it is credited to the Seller's account, provided it is credited by 11 a.m. CET on a Business Day; otherwise it is deemed to be paid on the following Business Day (the "Payment Date"). For the purposes of the Contract, a Business Day means any business day on which banks are customarily open for the provision of banking services in the Seller's country of establishment (a "Business Day"). If the Seller is unable to identify the payment due to an incorrectly entered Contract number in the transaction description (variable symbol), the Payment Date is the first Business Day on which you identify the payment to the Seller before 11 a.m. CET.

The Seller accepts your offer to enter into a Purchase Subcontract by sending confirmation to your Customer Account and/or email address within five Business Days of the Payment Date (the "Purchase Confirmation"). The Seller is under no obligation to accept your offer to enter into a Purchase Subcontract. An offer will not be accepted in particular if the Seller suspects that the primary purpose of the offer is your speculation on the price of the investment metal, or if extraordinary unforeseeable circumstances beyond the Seller's control arise (e.g. natural disasters, viral epidemics, armed conflicts, general strikes, etc.) which cause significant fluctuations in the purchase prices of investment metals on the market. If the weight of the investment metal purchased under a Purchase Subcontract exceeds the Maximum Weight Variance, the Purchase Subcontract is not concluded. However, the Seller will send you Purchase Confirmation to your Customer Account and/or email address. In this case, the Purchase Confirmation constitutes a new irrevocable offer by the Seller to enter into a Purchase Subcontract. This offer is accepted unless you object to it in writing no later than 15 calendar days from the date on which you received the Purchase Confirmation. If you make any subsequent payment to the Seller, or if you take receipt of any Subject of Purchase, this is also deemed to be acceptance of the offer.

In the Contract, you agree to make payments only from funds of which you are the beneficial owner. Within 10 Business Days of the Payment Date, the Seller is entitled to demand that you prove, within a reasonable time limit set by the Seller, the origin of the funds from which the Purchase Price of the Subject of Purchase has been paid. If, within the set time limit, you fail to prove that the Purchase Price has been paid exclusively from funds actually owned by you, the Seller is entitled to withdraw from the Purchase Subcontract. In this case, the Seller, within a reasonable period of time, will refund the Purchase Price you paid, less the bank charges associated with the receipt of payment and transaction fees associated with sending the payment as per the applicable Fee and Service Price List and the costs associated with withdrawal from the Purchase Subcontract.

The sum of the Purchase Prices that you pay to the Seller under Purchase Subcontracts (less any payouts from the Weight Accumulation Account and/or other deductions from the Weight Accumulation Account under your Contract), and for which you have incrementally purchased the investment metal for the manufacture of one unit of the Subject of Purchase in its total weight, constitutes the total purchase price of the total weight of one unit of the Subject of Purchase. Upon payment of the total purchase price of the total weight of the Subject of Purchase, you have the right to have such Subject of Purchase delivered in accordance with point 21 of this Information.

21. DELIVERY OF THE SUBJECT OF PURCHASE

If you have paid the total purchase price of at least one unit of the Subject of Purchase, i.e. the quantity of purchased investment metal recorded in your Weight Accumulation Account corresponds to at least one unit of the Subject of Purchase, and at least 12 months have elapsed since the conclusion of the Contract, or 12 months have elapsed since the delivery of the previous unit of the Subject of Purchase (if this is to be the delivery of any subsequent unit of the Subject of Purchase), you are entitled to instruct the Seller to deliver one unit of the Subject of Purchase. At the same time as you do this, you must pay the postage, packing, and insurance as per the Fee and Service Price List valid as at the date on which the instruction is made. Unless otherwise agreed, postage, packing, and insurance are paid by the sale of the corresponding quantity of investment metal from your Weight Accumulation Account. The Subject of Purchase will be delivered to you no later than 60 calendar days from the date on which the terms and conditions for its delivery are met, unless delivery is prevented by extraordinary unforeseeable circumstances arising beyond the Seller's control (e.g. natural disasters, viral epidemics, armed conflicts, general strikes, extreme delays on the part of the Seller's subcontractor, etc.).

22. SELLER'S FEE

In addition to the Purchase Price of the Subject of Purchase, the Seller is entitled to a fee for facilitating the purchase of investment gold (the "Seller's Investment Gold Purchase Facilitation Fee"). Information on the Seller's Investment Gold Purchase Facilitation Fee is available on the Seller's Website. Its current amount as at the date on which this Information is provided can be found in point 32 of this Information. The Seller's Investment Gold Purchase Facilitation Fee is set as a percentage, per calendar day, of the current balance of the weight of the investment metal in your Weight Accumulation Account. Information on the Seller's Investment Gold Purchase Facilitation Fee is available to you before you enter into the Contract. You pay the Seller's Investment Gold Purchase Facilitation Fee by means of reductions, on an ongoing basis, in the balance of the weight of the investment metal in your Weight Accumulation Account.

The Seller is entitled to a fee for facilitating the sale of investment gold (the "Seller's Investment Gold Sale Facilitation Fee")

whenever a Metal Payout, Cash Payout, or Transfer of Grams is carried out. The Seller's Investment Gold Sale Facilitation Fee takes the form of a set percentage of the value of the proceeds. The amount of the Seller's Investment Gold Sale Facilitation Fee is available on the Seller's Website. Its current amount as at the date on which this Information is provided can be found in point 32 of this Information. Information on the Seller's Investment Gold Sale Facilitation Fee is available to you before you enter into the Contract. You pay the Seller's Investment Gold Sale Facilitation Fee by means of a reduction in the balance of the weight of the investment metal in your Weight Accumulation Account.

23.

INCREMENTAL SALE OF PRECIOUS METAL (PAYOUTS FROM THE WEIGHT ACCUMULATION ACCOUNT)

You are entitled to request a payout from the Weight Accumulation Account at any time after the conclusion of the Contract.

For purposes of payout from the Weight Accumulation Account, the current value of the Weight Accumulation Account (the "Current Value") is calculated as per the current buyback price list posted on the Seller's Website (the "Buyback Price List") in the manner below:

- For a payout in investment metal, the Current Value of the Weight Accumulation Account shall be calculated as the Metal Buyback Price for the current quantity of investment metal recorded in the Weight Accumulation Account as per the Buyback Price List plus a pro rata portion of the IBIS Buyback Premium and a pro rata portion of the iiplanGold® Buyback Premium according to the current Buyback Price List; such pro rata amounts shall correspond to the ratio of the current quantity of investment metal recorded in the Weight Accumulation Account to the total quantity of investment metal contained in one unit of the Subject of Purchase;
- For a cash payout, the Current Value of the Weight Accumulation Account shall be calculated as the Metal Buyback Price for the current quantity of investment metal recorded in the Weight Accumulation Account as per the Buyback Price List without further increases (i.e. the Current Value shall not be increased by a pro rata portion of the IBIS Buyback Premium or a pro rata portion of the iiplanGold® Buyback Premium).
- For the transfer of cash or grams of investment metal to any iiplanRentier® or iiplanMax® Weight Accumulation Account, or to the Weight Accumulation Account under any contract other than an iiplanGold® contract, the Current Value of the Weight Accumulation Account is calculated as the Metal Buyback Price for the current quantity of investment metal recorded in the Weight Accumulation Account as per the Buyback Price List plus a pro rata portion of the IBIS Buyback Premium, but excluding an increase by the iiplanGold® Buyback Premium (i.e. the Current Value will not be increased by the pro rata portion of the iiplanGold® Buyback Premium).

A payout is made from the Weight Accumulation Account in such a way that, through the Customer Account (by filling in the relevant form and signing it electronically), you instruct the Seller to make the payout from the Weight Accumulation Account. An instruction to make a payout from the Weight Accumulation Account constitutes your offer to the Seller to enter into a contract for the sale of a quantity of investment metal recorded in the Weight Accumulation Account corresponding to the sale price selected by you (the "Sale Subcontract"). In the instruction to make a payout from the Weight Accumulation Account, you select whether the payout is to be made in investment metal or in cash, specify the amount from the Current Value of the Weight Accumulation Account that you wish to receive by selling the investment metal (the "Selling Price"), and the date on which the investment metal is to be sold (the "Sale Date"), which, at the earliest, may be the day following the instruction to make the payout from the Weight Accumulation Account, unless, in any particular case, the Seller allows the sale to be made on the instruction date.

The price of investment metals depends on financial market fluctuations beyond the Seller's control. Therefore, the quantity of the investment metal to be sold under a Sale Subcontract is determined on the Sale Date by reference to the Selling Price, i.e. according to the amount from the Current Value of the Weight Accumulation Account on the Sale Date which you wish to obtain by selling the investment metal, as per the Buyback Price List valid on the Sale Date, provided that the weight of the investment metal to be sold is not more than 10% higher than the weight of such investment metal which would have been attributable to the selling price of the investment metal being sold on the fifth Business Day prior to the Sale Date (the "Maximum Sale Weight Variance"). However, the Maximum Sale Weight Variance does not apply if the Sale Date falls on an earlier Business Day than the fifth Business Day as of the corresponding instruction for a payout to be made from the Weight Accumulation Account. A lower weight of investment metal may be sold without limitation, with which you expressly agree. With respect to the method for determining the Maximum Sale Weight Variance, you are obliged to continuously (at least once every three Business Days) monitor the current price of the investment metal as per the Buyback Price List, and, if you dispute the making of a payout from the Weight Accumulation Account at the current price, you must modify or cancel the payouts from the Weight Accumulation Account that have been entered but not yet carried out. The weight of the investment metal to be sold is measured in grams to six decimal places.

If you choose to have the Selling Price paid in investment metal, the investment metal will be delivered to you in the form of bars, coins, or sets currently offered by the Seller (the "Product") at the value of the Selling Price as per the Purchase Price List valid as at the Sale Date. For the purposes of the delivery of the Product, you are liable to pay postage, packing, and insurance as per the Fee and Service Price List valid as at the Sale Date. Unless otherwise agreed, postage, packing, and insurance are paid by the sale of the corresponding quantity of investment metal from your Weight Accumulation Account within the scope of the relevant Sale Subcontract in such manner that, in the calculation of the quantity of investment metal to be sold, the Selling Price is increased by postage, packing, and insurance. The Seller's claim to payment of the price of Products being purchased by you and to payment of postage, packing, and insurance is set off against your claim to payment of the Selling Price. The Product you have purchased will be delivered to you under the terms of point 21 of this Information. You acquire ownership of the Product upon payment of the price thereof.

If you choose to have the Selling Price paid out in cash, you are further required to pay transaction fees associated with the dispatch of payment as per the Fee and Service Price List valid as at the Sale Date. Unless otherwise agreed, transaction fees associated with the dispatch of payment are paid by the sale of the corresponding quantity of investment metal from your Weight Accumulation Account within the scope of the relevant Sale Subcontract in such manner that, in the calculation of the quantity of investment metal to be sold, the Selling Price is increased by those transaction fees. The Seller's claim to payment of transaction fees associated with the dispatch of payment is set off against your claim to payment of the Selling Price. Within 20 Business Days of the Sale Date, the outstanding balance of the Selling Price will be deposited in the bank account you have specified for this purpose.

The sale of investment metal for the purpose of a Metal Payout or Cash Payout is based on your offer to enter into a Sale Subcontract. The Seller accepts your offer by sending you confirmation of sale to your Customer Account and/or email address within five Business Days of the Sale Date (the "Sale Confirmation"). The Seller is under no obligation to accept an offer to enter into a Sale Subcontract. If the quantity of investment metal to be sold under a Sale Subcontract exceeds the Maximum Sale Weight Variance, the Sale Subcontract is not concluded. However, the Seller will send Sale Confirmation to your Customer Account and/or email address; this Sale Confirmation then constitutes a new irrevocable offer by the Seller to enter into a Sale Subcontract. That offer is accepted unless you dispute it in writing within 10 calendar days of the date on which you receive the Sale Confirmation; if you take delivery of any Product purchased by you, this also constitutes acceptance of the offer. If you choose to have the Selling Price paid out in cash, you must also return to the Seller, within the time limit to express disagreement, the entire Selling Price (or the entire portion thereof paid by the Seller), if the Seller has already paid this to you under the relevant Sale Subcontract, otherwise the Sale Subcontract is deemed to have been concluded. Further, a Sale Subcontract is not concluded if an insufficient quantity of investment metal to fulfil that Sale Subcontract is recorded in the Weight Accumulation Account on the Sale Date.

Any time after the conclusion of the Contract, you are entitled to request that the Seller transfer a quantity of investment metal selected by you from your Weight Accumulation Account to a Weight Accumulation Account registered by the Seller under another iiplanMax®, iiplanRentier®, or iiplanGold® purchase contract, including to the Weight Accumulation Account of a third party (in which case this constitutes the transfer of the selected quantity of investment metal for the benefit of that third party), subject to the following terms and conditions:

- You submit a transfer request via your Customer Account (by filling in the relevant form and signing it electronically). In the request, you select either the quantity of investment metal to be transferred or an amount from the Current Value of the Weight Accumulation Account to which the corresponding quantity of investment metal is to be transferred, as well as the identification of the Weight Accumulation Account to which the investment metal is to be transferred, and the date on which the investment metal is to be transferred (the "Transfer Date"). The earliest Transfer Date may be the day following the transfer request, unless, in any particular case, the Seller allows the transfer to take place on the date of the request.
- If, in the request, you select an amount from the Current Value of the Weight Accumulation Account to which the corresponding quantity of investment metal is to be transferred, the quantity of investment metal to be transferred will be calculated as at the Transfer Date. The price will be determined in a manner similar to the investment metal payout as described in point 23 of this Information.

The Seller accepts your request for a transfer from a Weight Accumulation Account by sending transfer confirmation to your Customer Account and/or email address within five Business Days of the Transfer Date. In this manner, an agreement on a transfer from a Weight Accumulation Account is concluded (the "Weight Accumulation Account Transfer Agreement"). The Seller is under no obligation to comply with a transfer request and enter into a Weight Accumulation Account Transfer Agreement. Investment metal will not be transferred, in particular, if, on the Transfer Date, an insufficient quantity of investment metal is registered in your Weight Accumulation Account to effect the transfer thereof.

The quantity of investment metal recorded in your Weight Accumulation Account will be reduced by the quantity of investment metal to be transferred, and the quantity of investment metal recorded in the target Weight Accumulation Account designated by you for the transfer will be increased by the same.

If investment metal is transferred from a Weight Accumulation Account registered by the Seller under another iiplanGold®,

iipplanRentier® or iipplanMAX® contract – or, in the future, under another contract registered with the Seller, to your Weight Accumulation Account – the amount of investment metal recorded in your Weight Accumulation Account will be increased by the amount of investment metal transferred.

By means of payouts from a Weight Accumulation Account or transfers, the quantity of investment metal recorded in the Weight Accumulation Account may be fully exhausted (i.e. the value of the Weight Accumulation Account may be equal to zero) without this causing the termination of the Contract.

24. CONTRACT REVISIONS

You can make amendments to the Contract by written addenda in paper form and/or by filling in the relevant form in your Customer Account, which will be electronically signed in accordance with point 18 of this Information. If the subject of an amendment to the Contract is a change to your telephone number, the addendum must always be concluded in written form.

25. SHIPPING

A Subject of Purchase, or Product, paid for on the basis of an Investment Metal Payout will be shipped to you if you pay the total purchase price of the Subject of Purchase, or Product, in full. You must also pay postage, packing, and insurance at the same time in accordance with the Fee and Service Price List valid as at the date on which the instruction to deliver the Subject of Purchase is delivered to the Seller, or as at the date of the investment metal payout. The Subject of Purchase, or Product, will be delivered to you no later than 60 calendar days from the date on which the terms and conditions for its shipping are met, unless delivery is prevented by extraordinary unforeseeable circumstances arising beyond the Seller's control (e.g. natural disasters, viral epidemics, armed conflicts, general strikes, extreme delays on the part of the Seller's subcontractor, etc.).

Individual units of a Subject of Purchase, or Product, paid on the basis of an Investment Metal Payout will be dispatched to your registered shipping address. The shipment is insured. The delivery of the Subject of Purchase, or Product, is accompanied by a tax document (i.e. an invoice). On the day on which the Subject of Purchase is shipped, the Seller will send you notification of dispatch to your Customer Account and/or email address.

As the Buyer, you are obliged to provide the Seller with the correct shipping address to which the Subject of Purchase, or Product, is to be dispatched. You undertake to accept the Subject of Purchase, or Product, that is sent to you. If you fail to meet this obligation, the Seller will reship the Subject of Purchase, or Product, to you. The Seller must make two reshipments, in each case subject to your payment of postage, packing, and insurance as per the Fee and Service Price List valid as at the date of reshipment. Unless otherwise agreed, postage, packing, and insurance will be paid by means of the sale of the corresponding quantity of investment metal from your Weight Accumulation Account, calculated analogously to point 23 of this Information (i.e. the Seller's claim to payment of postage, packing, and insurance is set off against your claim to payment of the selling price of the corresponding quantity of investment metal). If the above shipping costs are not paid, the Seller is entitled, but not obliged, to reship the Subject of Purchase, or Product.

If you fail to accept the shipped Subject of Purchase, or Product, even after it has been reshipped to you for a second time, the return of such shipment to the Seller is deemed to be an irrevocable proposal by you to the Seller to enter into a contract for the buyback of the Subject of Purchase, or Product, in accordance with point 27 of this Information, and the date of the return of such shipment to the Seller is deemed to be the Buyback Date and the date of your proposal to enter into a buyback contract. The Seller accepts such a proposal to enter into the contract by paying the buyback price (less any transaction fees associated with the dispatch of payment under the applicable Fee and Service Price List) by wire transfer to the bank account from which your last payment for the Contract was sent, or to an account notified to the Seller in writing or by an addendum to the Contract. If you have not yet have paid the Seller the postage, packing, and insurance of the reshipments as per the Fee and Service Price List valid as at the date of dispatch thereof by this time, the Seller will set off this claim against your claim to the payout of the buyback price.

A Subject of Purchase, or Product, cannot be returned to the Seller, only offered back for buyback in accordance with point 27 of this Information.

The shipment is handed over in accordance with the method chosen for delivery of the Subject of Purchase, or Product, as per the Fee and Service Price List valid as at the date of dispatch thereof. It is your responsibility to inspect the delivery, including the Subject of Purchase, or Product, without delay. After the shipment has been inspected to ensure that it is intact and once it has been accepted, it is deemed to have been delivered. After acceptance, you are not entitled to any legal or financial compensation due to negligence upon acceptance of the Subject of Purchase, or Product.

If you receive a shipment with damaged packaging, you may refuse to accept it. In this case, notify the Seller immediately by email or telephone using the contact details provided in point 1 of this Information.

You acquire ownership of the Subject of Purchase upon payment of the total purchase price of each unit of the Subject of Purchase (i.e. when investment metal equal to the weight of one unit of the Subject of Purchase has been purchased) and upon instructing the Seller to deliver such Subject of Purchase.

You acquire ownership of the Product upon payment of the price thereof. The Product you have purchased will be delivered to you under terms analogous to those for a Subject of Purchase.

In order to preserve the value of the investment precious metal, no damage thereto is admissible. If the Subject of Purchase or Product has original protective packaging, damage to that original security packaging with the certificate of authenticity is also inadmissible.

26. CLAIMS

Rights arising from defective performance and the Seller's liability for defects are governed by the relevant provisions of Czech Act No 89/2012, the Civil Code, as amended, including, without limitation, Sections 2099 to 2112 and Sections 2165 to 2174 thereof. Submit your claim in writing to the Seller's address for service, by telephone, or by email to the Seller's email address, citing the original Contract number and a description of the defects found. The Seller will send you confirmation of receipt of the claim to your Customer Account and/or email address. The Seller will make a decision on the claim within three Business Days of receipt thereof and notify you of the decision via your Customer Account and/or email address, unless otherwise agreed with you. A legitimate claim shall be settled without undue delay, and in any event no later than 30 calendar days from the date on which the claimed Subject of Purchase is delivered to the Seller's address.

27. BUYBACK

The Seller will buy back all units of the Subject of Purchase and other Products (delivered in investment metal in the event of payout from the Weight Accumulation Account) sold by the Seller under the Contract at a price (the "Buyback Price") determined in the manner set in accordance with the Buyback Price List valid for the date on which the Subject of Purchase and/or the Product to be bought back are delivered to the Seller (the "Buyback Date"). The Buyback Price is published in the Buyback Price List from Monday to Friday after 6 p.m. CET; upon publication, it takes effect immediately and remains valid for the following day and, if applicable, for other days when the Buyback Price is not published in the Buyback Price List pursuant to the first part of this sentence. The Buyback Price List is not an offer to enter into a contract, but only an invitation to submit offers to enter into a contract.

- In the event of the buyback of the Subject of Purchase after at least 60 months have elapsed between delivery to your address and the Buyback Date, the Buyback Price consists of: (i) the Metal Buyback Price; (ii) the IBIS Buyback Premium; and (iii) the iiplanGold® Buyback Premium. The iiplanGold® Buyback Premium per unit of the Subject of Purchase shall be stated in the Buyback Price List.
- In the event of the buyback of the Subject of Purchase in a situation where at least 60 months have yet to elapse between delivery to your address and the Buyback Date, the Buyback Price consists solely of the Metal Buyback Price. The IBIS Buyback Premium and the iiplanGold® Buyback Premium are zero, i.e. they are not part of the Total Buyback Price.
- Where another Product is bought back, the Buyback Price shall consist of: (i) the Metal Buyback Price; and (ii) the IBIS Buyback Premium. The iiplanGold® Buyback Premium is zero, i.e. it is not part of the Total Buyback Price.

You may submit a proposal to the Seller to enter into a contract on the buyback of a Subject of Purchase:

- via the Customer Account, by filling in the relevant form and signing it electronically in accordance with point 18 of this Information; or
- by sending a copy of a hand-signed written proposal, in the wording of the form in the Customer Account, to the Seller's email address specified in point 1 of this Information; or
- by sending a handwritten proposal in paper form, in the form in the Customer Account, to the Seller's address.

The subject of a proposal to enter into a buyback contract, which is irrevocable, is the sale of the specified Subject of Purchase, or Product, at the Buyback Price on condition that the Metal Buyback Price on the Buyback Date is not more than 10% lower than on the date on which you made the proposal to the Seller to enter into a buyback contract (the "Minimum Metal Price"). The Seller accepts such a proposal to enter into a contract by making cashless payment of the Buyback Price (less any transaction fees associated with the dispatch of payment as per the valid Fee and Service Price List).

If the metal buyback price is lower than the Minimum Metal Price, you are entitled to make a new offer or, further to the your request, the Seller will send the received Subject of Purchase, or Product, back to your address at your expense (postage, packing, and insurance as per the valid Fee and Service Price List).

The Seller will conduct a physical inspection of the authenticity, fineness and general integrity of the Subject of Purchase, or the Product, including the certificate and any and all accessories supplied. In the event of delivery of a damaged or incomplete Subject of Purchase, or Product, or damaged or incomplete accessories of the Subject of Purchase, or Product, the Seller has the right to set a lower Buyback Price or to refuse the buyback and return the Subject of Purchase, or Product, to your address at your expense (postage, packing, and insurance as per the valid Fee and Service Price List). If the Seller sets a lower Buyback Price, the Seller will send you a proposal to enter into a buyback contract to your Customer Account and/or the email address indicated in the heading of the buyback contract. You confirm this proposal by sending an email to the Seller from the email address indicated in the buyback contract. If you fail to confirm a proposal to enter into a buyback contract within the time limit set in the proposal, the Seller will return the Subject of Purchase, or Product, at your expense (postage, packing, and insurance as per the valid Fee and Service Price List) to your address.

28. ADVICE ON WITHDRAWAL FROM THE CONTRACT

Section 1829 of Czech Act No 89/2012, the Civil Code, provides that the consumer has the right to withdraw from a contract within a 14-day period starting from the date of conclusion of the contract and, in the case of a purchase contract, from the date of receipt of the product. However, Section 1837 of the Civil Code defines cases where the buyer cannot withdraw from the contract. Section 1837(b) states that it is not possible to withdraw from contracts relating to the supply of products or services whose price depends on financial market fluctuations beyond the control of a business undertaking which may occur during the withdrawal time limit.

The price of the Subject of Purchase, or Product, depends on financial market fluctuations beyond the Seller's control (the price of the Subject of Purchase, or Product, is influenced by the price of investment precious metals on the precious metals exchange and the exchange rate), and the Current Price of investment metals for the Subject of Purchase, or Product, is determined in accordance with point 20 of this Information. In view of this fact, under Section 1837(b) of Czech Act No 89/2012, the Civil Code, as amended, you do not have the right to withdraw from the Contract, or a Purchase Subcontract, a Sale Subcontract, or a Weight Accumulation Account Transfer Agreement.

A Subject of Purchase cannot be returned to the Seller, only offered back for buyback in accordance with point 27 of this Information.

29. TERMINATION OF CONTRACT

The Contract is for an indefinite term. You may terminate the Contract without cause with three months' notice, which commences on the first day of the month following the service of notice of termination on the Seller. Notice of termination of the Contract may be served solely in paper form.

Upon notice of termination of the Contract, all the Buyer's payments credited towards payment of the Input Price Increase as at the date on which the notice period expires are attributable to the Seller and no compensation is provided by the Seller.

If the obligations under the Contract are extinguished and at the same time investment metal purchased by you is at the Seller (a non-zero amount of investment metal is recorded in the Weight Accumulation Account), you are entitled to compensation in an amount calculated according to the Buyback Price List valid as at the date of extinguishment of the obligations under the Contract (or, if the obligations under the Contract are extinguished due to termination of the Contract, according to the Buyback Price List valid as at the date of service of notice on the other party) based on the quantity of investment metal recorded in the Weight Accumulation Account. When obligations under an iiplanGold® contract are extinguished, you need to choose promptly (if notice has already been served on the Seller) whether you require the payout of compensation in investment metal or in cash. If you fail to select the required payout method within the time limit set out in the preceding sentence, the compensation will be paid out in cash. Compensation will be paid out in accordance with point 23 of this Information, and the Sale Date is deemed to be the date on which the obligations under the Contract are extinguished.

Termination of the Contract will be confirmed to your Customer Account and/or email address.

30. HOW WE HANDLE YOUR PERSONAL DATA

The Seller will process your personal data primarily in order to perform the Contract. Further information on how the Seller processes such personal data can be found in the Legal Statement available on the Seller's Website (at <https://ibis.ibisingold.com/Files/pdf/EN/Legal>). The Seller is entitled to unilaterally change the Legal Statement at any time and will notify you of such changes.

31. CONSUMER'S RIGHT TO ALTERNATIVE DISPUTE RESOLUTION

If you are not satisfied with the Seller's services, you may submit a written complaint to the Seller's correspondence address or email address provided in point 1 of this Information. The complaint will be handled as soon as possible and the Seller will confirm its receipt to your email address within 10 calendar days and subsequently notify you of the result of the investigation.

If a dispute (complaint, claim) cannot be resolved, you, as the buyer – consumer, have the right to seek the alternative (out-of-court) resolution of your consumer dispute. The entity responsible for such alternative dispute resolution for consumer disputes is the Czech Trade Inspection Authority (www.coi.cz). A consumer is entitled to initiate alternative dispute resolution only after failing to resolve the dispute directly with the seller. The consumer must prove this fact to the Czech Trade Inspection Authority. The consumer is entitled to file a claim with the Czech Trade Inspection Authority no later than one year from the date on which the consumer first exercised their right, i.e. the subject of the dispute, with the seller. There is no charge for alternative dispute resolution for consumer disputes. Upon commencement of alternative dispute resolution, there is no statute of limitations. The above procedure is without prejudice to your right to take your claim to court. A court of competent jurisdiction pursuant to the laws of the Czech Republic has jurisdiction to arbitrate on disputes arising out of the concluded Contract.
